2017/4540/P	Belsize Residents Association, Sanya Polescuk	8a Belsize Court Garages NW3 5AJ	03/12/2017 15:25:19	AMEND	The proposed cabinet is larger than the existing and will be significantly more prominent. Given the non-rural or indeed park-like context, the proposed colour - green - is misplaced. The prevalent colour of other street furniture in the area is black and this is should also be the colour for BT new cabinet.
