Dear Stephanie,

Thank you for submitting the 5 day notice. I am in agreement that the tree should be removed. No further interaction with the council is required in order to remove the apple tree. Formal confirmation of this will follow shortly but you are not required to wait for it before removing the tree if you are concerned about the hazardous condition of the tree. It is likely a replacement tree will be secured via a replanting condition. For your records, James Remmington no longer works for LB Camden.

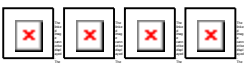

Planning Technician: Please see attached and log in my name as: DD 1x apple tree – Fell – Dead. Rear garden of 54 Compayne Gardens, London NW6 3RY.

Please contact me if I can be of further assistance.

Kind regards

Nick Bell
