

proposed ground floor plan

proposed lower ground floor plan

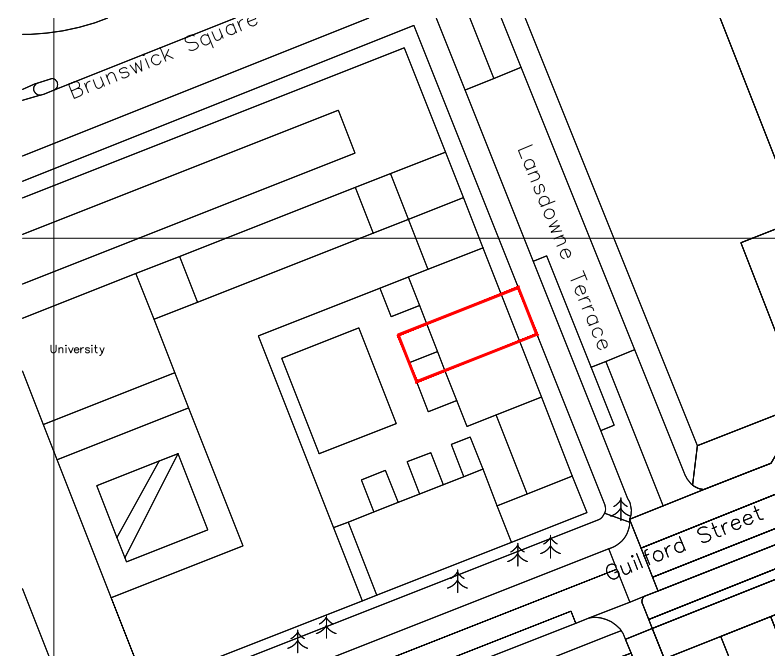

proposed sectional front elevation

proposed sectional elevation

location plan 1:1250

site plan 1:500

notes:  
 any discrepancies should be reported immediately  
 all dimensions should be checked on site prior to commencement of work  
 site/survey based on ordnance survey information provided by prodats systems plc. (www.promap.co.uk) prodats does not guarantee that all past or current uses or features will be identified in the product  
 the product does not give details about the actual state or condition of the site nor should it be used or taken to indicate or exclude actual suitability or unsuitability of the site for any particular purpose, or relied upon for determining suitability or value, or used as a substitute for any physical investigation or inspection.  
 drawings to be read in accordance with the dwelling emission rate (der/ter) calculation. the building must be built 'as designed' meeting the criteria set for air permeability.
