Dear Mr Gentet

**Arrangements for Handling Heritage Applications Direction 2015 &
T&CP (Development Management Procedure) (England) Order 2015
CHARLES CLORE HOUSE 17 RUSSELL SQUARE LONDON WC1B 5JP
Application No 2017/6749/L**

Thank you for your letter of 6 December 2017 notifying us of the application for listed building consent relating to the above site. We do not wish to comment in detail, but offer the following general observations.

Historic England Advice

The proposed drawings show a number of works that are not being applied for in this application and have not been previously granted listed building consent, namely an external lift to the main entrance and the addition of plant at roof level. As such, we would request that the drawings are revised to include only those works for which consent is sought.

Recommendation

Providing that the above issues are addressed, we would be minded to direct as to the granting of listed building consent. We therefore look forward to notification of the necessary revisions to the proposals.

Please note that this response relates to listed building matters only. If there are any archaeological implications to the proposals it is recommended that you contact the Greater London Archaeological Advisory Service for further advice (Tel: 020 7973 3712).
