The Council has considered your application and decided to grant permission.

Informative(s):

- 1 Condition 2a of permission 2015/6018/P requires full details of all external materials and finishes proposed for the coal drops yard thereby approved.

Due to the complex nature of the scheme, this application has been submitted in three parts. A number of drawings have been submitted for this part discharge of condition 2a with information which includes: External Walls/Masonry, Existing External Metalwork, Louvres, Viaduct/Bridges Decking Soffit & Beams, Gable End Glazing, Lower Stable Street External Wall Screen, External Doors and Cycle Racks at mezzanine level.

The Council including the conservation officer and the planning officer have assessed the information and materials and in relation to design, details and specification and they are considered appropriate as they will not dominate the external look and feel of the buildings, are sympathetic to the general area and in line with the materials which are used on the existing building.

The details submitted for condition 2a are considered sufficient to demonstrate that the proposed external materials will be of high quality design and suitable for the site.

The site's planning history and relevant appeal decisions were taken into account when coming to this decision. The full impact of the proposed development has already been assessed. The details submitted have been assessed in relation to the approved scheme, the site and its surroundings.

As such, the proposed development is in general accordance with policies CS14 and CS15 of the London Borough of Camden Local Development Framework Core

Strategy and policies DP24, DP25 and DP29 of the London Borough of Camden
Local Development Framework Development Policies 2010.

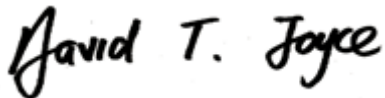

- 2 You are advised that condition 11 of permission 2015/6018/P is outstanding and require details to be submitted and approved to the Local Planning Authority.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
