2017/6214/P	Hampstead CAAC	c/o Flat 6 4 Ferncroft Avenue NW3 7PH	13/12/2017 18:51:01	OBJ	HCAAC objects to the proposal as follows: Against policy CC2 adapting to climate change A1 managing impact of development A4. The unit should be included in the dwelling plan with wall louvres, which makes for more effective noise control. Moreover these flats have been lived in successfully for decades using natural ventilation and no reliance on a/c. Proliferation of such proposals by precedent is unwelcome in this area and generally threatening noise build-up and over-use of electricity.
