

GENERAL NOTES.

This drawing remains the copyright of Andy Sturgeon Garden Design Limited.  
All dimensions to be checked prior to commencement of any works,  
and/or preparation of any shop drawings on site.  
Any dimensional discrepancies and alterations to be referred to the designer.

DO NOT SCALE FROM THIS DRAWING.

Key / Location

Legend

- Planters  
Steel planters by Outdoor Design. Refer to plan and planter details for dimensions. Planters to be manufactured in 2mm steel and powdercoated As Q50.331
- Planting - refer to planting plans and schedules for information

NOTE:  
Contractor to appoint Outdoor Design (tel. 01903 716960) to provide final detailed design drawings for all planters, for approval by the Landscape Architect and client prior to orders being placed.

Contractor to liaise with Outdoor Design and architect to agree manufacturing tolerances. Planters have been sized based upon Design Freeze plans issued by architect October 2016.

Planters to be insulated as Outdoor Design specification as Q50.331.

All services (irrigation / lighting) to pass through pre-formed 80mm service holes in base and sides of planters, as indicated in details. All cables and hoses to be hidden inside planters. Service holes to be sealed on site once installed.

Planter Schedule  
Standard planter (1000x500x1100mm) x23
