Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Refused

Address:
40B Rossllyn Hill
London
NW3 1NH

Proposal:
Installation of three wooden structures on rear terrace.
Drawing Nos:

The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The wooden structures, by reason of their scale, design and location on the building will be visually prominent and appear as an incongruous and inappropriate addition which would harm the special architectural and historic interest of the listed building and the character and appearance of the Hampstead Conservation Area, contrary to policies D1 and D2 of the Camden Local Plan 2017.

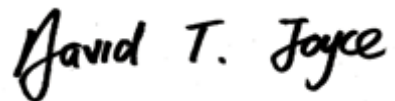

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
