Dear Madam,

I live close to the property in respect of which application has been made for planing permission.

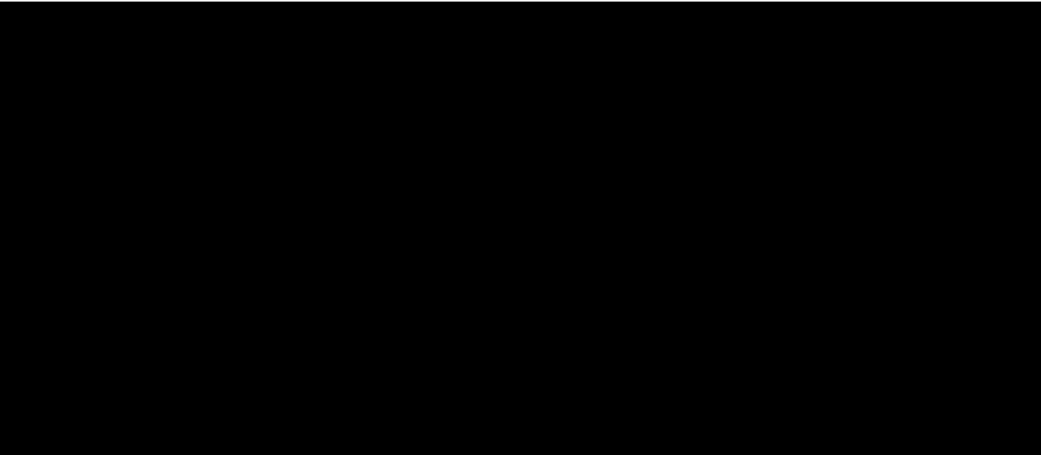

I have seen Mr Paterson's objections to the aforesaid planning application. I wish to associate my self with all his objections. I support them in their entirety.

I do not see how any reasonable planning authority properly directing itself on the application as it has been made in the existing circumstances could possibly allow it.

Please acknowledge safe receipt?

Thanking you,

Michael Sternberg QC MCI Arb.
