

FAO Lisa Mcann

Thank you for allowing me to comment on the above planning application.

I have no objections to this retrospective planning application. I have examined the crime statistics for the location and cannot see any correlation to the ATM and an increase in anti-social behaviour or thefts.

I see from the design access statement they have put security measures into and around the ATM to mitigate the risk of crime being committed around the area. As long as these are maintained and kept in use then hopefully no issues will arise from this ATM at the location.

Kind regards

Jim
