RE: 245 Camden High St - 'part change of use (rear) of ground floor retail (Use Class A1) to a tattoo parlour (Use Class Sui Generis).

Dear Sir / Madame

I write in reference to the application at 245 Camden High St.

The application is to part change of use (rear) of ground floor retail (Use Class A1) to a tattoo parlour (Use Class Sui Generis) with associated signage to shop front.

Access to the tattoo parlour will be provided through the existing retail unit. Access will only be available whilst the existing retail unit is in open in its normal operating hours.

The signage will be in keeping with context of the street frontage of Camden High Street and the surrounding market. The applicant is able to provide detailed information with regards to the signage should this be required as part of a condition of the planning consent.

Yours faithfully,

Daniel Curtin
