PLANNING

General Notes

1. Do not alter drawings.
2. All dimensions are in millimeters unless otherwise stated.
3. All dimensions are to be taken from the centre of the wall unless otherwise stated.
4. This drawing is to be read in conjunction with all related information including structural, mechanical and electrical drawings.
5. This drawing is to be read in conjunction with all AM drawings.
6. Any discrepancies to be reported to the Architect immediately.
7. Confirm before construction any variations and the location, nature, function of any proposed work.
8. Report any discrepancies or structural openings between drawings, schedules and specifications to the Architect immediately.
