53-54 Carey Street

WC2A 2JB

Proposal:

Drawing Nos: Heritage and design-and-access statement, cladding details

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Heritage and design-and-access statement, cladding details

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 The site is a pub of C1600, listed grade II and making a positive contribution to the Bloomsbury Conservation Area.

Parts of the existing staircase are of considerable antiquity, while the remainder is old, which has led to inconsistencies in the stairs.

The applicant wishes to improve the usability of the stairs by evening them up by the professional addition of bespoke packed oak veneers. No historic fabric is to be removed. In addition, a small area of damaged lime plaster will either be repaired with like-for-like materials, or will be overclad in oak.

The proposed works will not harm the special interest of the grade-II-listed building.

The site's planning history has been taken into account in making this decision.

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposal is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the NPPF.
