Subject: RE: Old Dairy Mews Communal Gate NW5 - planning application

To: [REDACTED]

Hi Abdul

Apologies for my late reply

I do feel that if the gates was moved forward in line with the pavement it would put a stop to people loitering / dealing drugs / and will no longer be a resting place for the street drinkers/homeless people who gather outside the gates which can be intimidating for residents and members of the public

Kind regards

Danny Fitzsimmons 7179CN
