Dear Mr Lester,

I am writing to object to the above building proposal.

I am the owner 72 Rochester Place, this property is one of the units directly behind and below the proposed building. My objections are thus:

1. My 'right to light' this 3rd story proposal will overshadow the skylights and thus my natural daylight coming into my unit. The unit only has restrictive light at the front and the back of the building.
2. The building extension is not in keeping with the mews building and will stand out incredibly and will not enhance the look of the building.
3. Disruption to the work force in 72 Rochester Place whilst the building works will take place.

Can you please keep me informed of the status of the application ?

Yours,

Julie
