RESIDENTS GARDEN ASSOCIATION

Dear Robert Lester

I am writing as the former chair of the Rochester Terrace Gardens Residents Association to object to this planning application. The current chair, Susanna Miller, and a great many of my neighbours will be adversely affected by this development. I am aware that many of them have formally objected in writing to your selves. The proposals are poor in design terms and out of keeping with the character and appearance of the area. The height and bulk are excessive and undermine the mews typology as it will be as high as the Rochester Road houses. The height and bulk will also harm the daylight, sunlight and outlook of my neighbours at 50, 51, 52, 53, 54 Rochester Road that are directly behind the site.

Thank you
Gabriel Sempill
