Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted Subject to a Section 106 Legal Agreement

Address:
Ground Floor Flat
15 Lymington Road
London
NW6 1HX

Proposal:
Excavation of single storey basement with lightwells to front and rear and replacement of rear extension

Drawing Nos: 602 . E . 101 (Rev P1); 602 . G . 101 (Rev P4); 602 . G . 102 (Rev P2); Design & Access Statement (prepared by Gregory Phillips Architects dated April 2016) AIA and AIP prepared by Trevor Heaps Arboricultural Consultancy Ltd. Dated 10/03/2016; BIA prepared by Ecos Maclean dated 06/05/2016; BIA Addendum prepared by BTA Structural Design dated May 2017; Ground Movement Assessment Report prepared by GEA dated 3 March 2017

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three

years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: 602 . E . 101 (Rev P1); 602 . G . 101 (Rev P4); 602 . G . 102 (Rev P2); Design & Access Statement (prepared by Gregory Phillips Architects dated April 2016) AIA and AIP prepared by Trevor Heaps Arboricultural Consultancy Ltd. Dated 10/03/2016; BIA prepared by Ecos Maclean dated 06/05/2016; BIA Addendum prepared by BTA Structural Design dated May 2017; Ground Movement Assessment Report prepared by GEA dated 3 March 2017

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 4 The development hereby approved shall not commence until such time as a suitably qualified chartered engineer with membership of the appropriate professional body has been appointed to inspect, approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration to ensure compliance with the design which has been checked and approved by a building control body. Details of the appointment and the appointee's responsibilities shall be submitted to and approved in writing by the local planning authority prior to the commencement of development. Any subsequent change or reappointment shall be confirmed forthwith for the duration of the construction works.

Reason: To safeguard the appearance and structural stability of neighbouring buildings and the character of the immediate area in accordance with the requirements of policies A1 and A5 of the Camden Local Plan 2017.

- 5 The development hereby approved shall be carried out strictly in accordance with the BIA compiled by Ecos Maclean dated 06/05/2016; BIA Addendum prepared by BTA Structural Design dated May 2017; Ground Movement Assessment Report prepared by GEA dated 3 March 2017; and the recommendation in the Campbell Reith Audit dated June 2017.

Reason: To safeguard the appearance and structural stability of neighbouring buildings and the character of the immediate area in accordance with the requirements of policy A5 of the Camden Local Plan 2017.

- 6 All work shall be carried out in accordance with the relevant recommendations of

British Standard 3998: 2010. (Recommendation for Tree Work)

Reason: To ensure the preservation of the amenity value and health of the tree(s).

- 7 Prior to the first occupation of the building a plan showing details of the green roof including species, planting density, substrate and a section at scale 1:20 showing that adequate depth is available in terms of the construction and long term viability of the green roof, and a programme for a scheme of maintenance shall be submitted to and approved in writing by the local planning authority. The green roof shall be fully provided in accordance with the approved details prior to first occupation and thereafter retained and maintained in accordance with the approved scheme of maintenance.

Reason: To ensure that the green roof is suitably designed and maintained in accordance with the requirements of policies CC1, D1 and CC4 of the Camden Local Plan 2017.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 4 The Inspector's report on the Local Plan was published on 15 May 2017 and concludes that the plan is 'sound' subject to modifications being made to the Plan. While the determination of planning applications should continue to be made in accordance with the existing development plan until formal adoption, substantial weight may now be attached to the relevant policies of the emerging plan as a material consideration following publication of the Inspector's report, subject to any

relevant recommended modifications in the Inspector's report.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
