Dear Matthias

Re: Flat C, 158 Haverstock Hill – 2017/6828/P

We write in regards to the above application for a lawful development certificate for a roof terrace and railings at Flat C, 158 Haverstock Hill.

As requested we can confirm, on behalf of the applicant, that the roof terrace has been in continuous use as a roof terrace for more than four years and its sole use is by the occupants of Flat C, 158 Haverstock Hill.

This should be read in conjunction with the supporting information submitted with the above application.

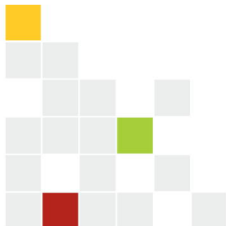

We trust that this clarifies matters and you are able to now grant the Lawful Development Certificate.

Yours sincerely
