

Attention Case Officer: Nick Baxter

I seek to file an objection to the above listed planning application:
there are a several grounds for objection: the three principle ones being

- 1] Description of intended works are inaccurate.
- 2] Works as described will not remedy the existing notifiable structural defects in the premises.
- 3] Proposed internal changes are made without consent of the tenant, contrary to Housing Act, Landlord and Tenant Act and Unfair Terms Act

I would be most grateful if you could let me know when the Planning Committee intends to discuss this item so I can attend to present my objections in full.

Yours sincerely

Robert Neuschul
Tenant: 34 Frederick Street.
