<i>My enquiry is</i>	Application 2017/4306/P Arthur Stanley House - Our comment on this application is that although we are not objecting we think an opportunity has been lost here to produce a more distinctive design for the main building, particularly the south facade that dominates the mews to the south which is little improvement on the existing which is a detractor. It does little to enhance the setting and has no distinguishing characteristics as required by the conservation area guidance.
