2017/6556/P	Isobel Cole-Hamilton	21 Jessel House, WC1H 9NX WC1H 9NX	13/01/2018 14:06:38	COMMEM AIL	I have 2 concerns about this application. One is that the application says that work covering the premises has not yet started, yet I live almost directly above the premises and extensive building work had been going on for months. Secondly, the application does not mention opening times. We already have 2 "massage parlours" in the same block, both of which are open late into the night. I would be very concerned if this new massage and beauty parlour are to be open into the late evening. Thank you.
