2017/6830/P	Mr Craig Duncan	74 Durdans House Royal College Street NW1 9RD	18/01/2018 10:22:29	OBJEMAI L	Does this include the prescribed London Mayor's provision for a percentage of realistically affordable housing or is it just another get rich quick private development? what this are does NOT need is more unaffordable high rent/priced housing which is throttling the local community!
