2017/6386-P	Ruth Ilajdoff	6 Wildwood Grove Hampstead London NW3 7HU	15/12/2017 11:53:31	OBJ	<p>I would like to object to this planning application on the grounds that the proposed extension to the roof terrace will overlook my garden and intrude on my privacy. [REDACTED]</p> <p>[REDACTED]</p> <p>The proposed roof terrace is also not in keeping with design and size of the other terraces in the street is disproportionate to the other extensions in Wildwood Grove.</p> <p>I am concerned that the proposed extension will cast a shadow over my garden and that I will be unable to use my garden when the owners are using their new terrace as it would overlook the whole of my garden.</p> <p>[REDACTED]</p> <p>[REDACTED]</p> <p>As the new roof terrace is longer, I would not be able to use my own terrace in the same way, and I would certainly not feel comfortable sitting outside while they are using their terrace and would also not be able to sunbathe on my own terrace anymore.</p>
2017/6386-P	Caroline Davies	7 Wildwood Grove London NW3 7HU	14/12/2017 18:56:08	COMMENT	<p>I would like to raise a number of objections to this application .</p> <ol style="list-style-type: none"><li>1. From the plans it appears that the proposed extension will include lengthening the first floor balcony so that it projects further out towards Hampstead Way. I am concerned that this extension will reduce both my light and my privacy significantly .</li><li>2. It will also alter the aspect of the terrace when viewed from Hampstead Way.</li><li>3. it is unclear from the plans whether the proposed roof of the kitchen extension is higher than the current kitchen roof but this is of concern to me also- for the effect it may have on my light and privacy.</li><li>4. The party wall of no. 7 &amp; 8 will be affected by the extension of the garden of no.8 out towards the pavement of Hampstead way. As will my beautiful and very old Wisteria tree which lies adjacent to the party wall on my side and may not survive the digging down which would be involved in moving the outer garden wall</li><li>5. The staircase to the balcony poses a potential security risk to neighbours.</li></ol> <p>I will email a seperate letter if required so please let me know if this is necessary</p>
