Date: 25 January 2018

Dear Sirs/Madams,

**HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017**

**LONDON BOROUGH OF CAMDEN: NATIONAL TEMPERANCE HOSPITAL (NTH) AND COBOURG STREET WORKSITES**

**SUBMISSION Nos. LBC.LR.01 & LBC.LR.02 – SCHEDULE 17 (6) LORRY ROUTE APPROVAL (CONDITIONS RELATING TO ROAD TRANSPORT) ASSOCIATED WITH ENABLING WORKS**

---

Further to our discussions, we submit herewith a request for the approval of the above work under Schedule 17 (6) to the High Speed Rail (London – West Midlands) Act 2017.

Approval is sought for the acceptability of lorry routes associated with demolition, site clearance and other enabling works and corresponding to each of the named compound/worksites as follows:-

- National Temperance Hospital (NTH) north and south worksites
- Cobourg Street north, south 1 and south 2 worksites

The submission for approval of lorry routes relates to the enabling works stage and comprises the following documents:-

1. List of Roads for Approval
2. Written Statement (submitted for information)
3. NTH/Cobourg Street Worksites – lorry route plan (submitted for information)

It is recognised that where an existing supplier/business is located between the special/trunk road network and a compound, Large Goods Vehicles (LGV's) from that supplier/business to the site will be required to take the most appropriate route to join the main route. As such, in the event that there are suppliers/businesses located between the special /trunk road network and the HS2 sites the subject of this submission, they will use the most appropriate route from the supplier/business in accordance with Planning Forum Note 6.

Payment for £195 is included to cover the planning fee in accordance with the HS2 Planning Fee Regulations 2017.

We trust the above gives you sufficient information to determine the request for approval. Should you wish to discuss this matter further, please contact Simon Williams on 07557 368721 or SWilliams@Wardell\_Armstrong.com.

Yours Faithfully,
