2017/7051/P	Miss milner	Flat 25 Pendrell house New Compton Street	25/01/2018 19:32:40	COMMNT	As a resident of New Compton st I wish to object. Our small road cannot cope with any more traffic from construction. If our building caught fire the emergency services would not access. There is already disruption from partygoers at night time so this would be further trouble.
