24 January 2018

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted Subject to a Section 106 Legal Agreement

Address:
17 Charterhouse Street
London
EC1N 6RA

Proposal:

Extensions and refurbishment of the existing part seven, part five storey (plus basement) building including erection of a single storey roof extension to Saffron Hill block, part two-storey and part five-storey extensions within central courtyard, part removal of the existing façade and part replacement with new glazed, metal and stonework façade to Charterhouse Street. Access alterations including redesign of existing pedestrian entrance and relocation of vehicular entrance on Charterhouse Street. Remodelling and replacement of existing plant and equipment. Provision of cycle parking spaces, and associated landscaping works.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 Before the relevant part of the work is begun, detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority:

- a) Details drawings (plans at 1:20, elevations at 1:20, and sections at 1:10) of all windows, glazing, fritting, mullions, transoms, spandrel panels, column

treatment, frame treatment, the plinth treatment, ventilation grills, plant screen, external doors and gates;

b) Detailed drawings of all balustrades;

c) Manufacturer's specification details of all facing materials and detailed drawings showing junctions (to be submitted to the Local Planning Authority) and samples of those materials (to be provided on site).

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 Before the relevant part of work is begun, detailed drawings showing features to be reinstated such as the vehicular entrance gates shall be submitted to and approved in writing by the local planning authority. The relevant part of the works shall be carried out in accordance with the details thus approved.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 4 No development, other than site clearance and enabling works, shall take place until full details of hard and soft landscaping (including materials where necessary) and means of enclosure of all un-built, open areas and public realm (including the terraces at 5th and 6th floor level) have been submitted to and approved by the local planning authority in writing. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area in accordance with the requirements of policies A2, A3, D1 and D2 of the London Borough of Camden Local Plan 2017.

- 5 All hard and soft landscaping works shall be carried out in accordance with the approved landscape details by not later than the end of the planting season following completion of the development or any phase of the development or prior to the occupation for the permitted use of the development or any phase of the development, whichever is the sooner. Any trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the local planning authority gives written consent to any variation.

Reason: To ensure that the landscaping is carried out within a reasonable period

and to maintain a high quality of visual amenity in the scheme in accordance with the requirements of policies A2, A3, D1 and D2 of the London Borough of Camden Local Plan 2017.

- 6 Prior to commencement of development, other than site clearance and enabling works, full details in respect of the living roof in the area indicated on the approved roof plan shall be submitted to and approved by the local planning authority. The details shall include
- i. a detailed scheme of maintenance;
 - ii. sections at a scale of 1:20 with manufacturers details demonstrating the construction and materials used and showing a variation of substrate depth with peaks and troughs;
 - iii. full details of planting species and density.

The living roofs shall be fully provided in accordance with the approved details prior to first occupation and thereafter retained and maintained in accordance with the approved scheme.

Reason: In order to ensure the development undertakes reasonable measures to take account of biodiversity and the water environment in accordance with policies G1, CC1, CC2, CC3, CC4, D1, D2 and A3 of the London Borough of Camden Local Plan 2017.

- 7 Prior to first occupation of the buildings, detailed plans showing the location and extent of photovoltaic cells to be installed on the building shall have been submitted to and approved by the Local Planning Authority in writing. The measures shall include the installation of a meter to monitor the energy output from the approved renewable energy systems. The cells shall be installed in full accordance with the details approved by the Local Planning Authority and permanently retained and maintained thereafter.

Reason: To ensure the development provides adequate on-site renewable energy facilities in accordance with the requirements of Policy G1, CC1 and CC2 of the London Borough of Camden Local Plan 2017.

- 8 Noise levels at a point 1 metre external to sensitive facades shall be at least 10dB(A) less than the existing background measurement (LA90), expressed in dB(A) when all plant/equipment (or any part of it) is in operation unless the plant/equipment hereby permitted will have a noise that has a distinguishable, discrete continuous note (whine, hiss, screech, hum) and/or if there are distinct impulses (bangs, clicks, clatters, thumps), then the noise levels from that piece of plant/equipment at any sensitive façade shall be at least 15dB(A) below the LA90, expressed in dB(A).

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies G1, CC1, D1, and A1 of the London Borough of Camden Local Plan 2017.

- 9 Prior to commencement of development, other than site clearance and enabling works, details of secure and covered cycle storage area for 100 cycles shall be

submitted to and approved by the local planning authority. The approved facility shall thereafter be provided in its entirety prior to the first occupation of any of the new units, and permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy T1 of the London Borough of Camden Local Plan 2017.

- 10 Prior to first occupation any part of the development, confirmation of the necessary measures to secure 4 active electric vehicle charging points within the development shall be submitted to and approved in writing by the local planning authority. Such measures shall be completed prior to first occupation and shall thereafter be retained.

Reason: To ensure that the scheme promotes the use of sustainable transport means in accordance with policies T1 and T2 of the Camden Local Plan 2017.

- 11 The existing waste and recycling store shall be permanently retained.

Reason: To ensure that sufficient provision for the storage and collection of waste has been made in accordance with the requirements of policy CC5, A1 and A4 of the London Borough of Camden Local Plan 2017.

- 12 Prior to commencement of any development, other than site clearance & preparation, details of the rainwater and grey water recycling proposals should be submitted to the local planning authority and approved in writing. The development shall thereafter be constructed in accordance with the approved details.

Reason: To ensure the development contributes to minimising the need for further water infrastructure in an area of water stress in accordance with policies CC2 and CC3 of the London Borough of Camden Local Plan Policies.

- 13 Prior to commencement of development, other than site clearance and enabling works, details of a sustainable urban drainage system shall be submitted to and approved in writing by the local planning authority. Such system shall be based on a 1:100 year event with 30% provision for climate change (demonstrating in excess of 50% betterment on existing brownfield rates and seeking greenfield levels of runoff). The system shall be implemented as part of the development and thereafter retained and maintained.

Reason: To reduce the rate of surface water run-off from the buildings and limit the impact on the storm-water drainage system in accordance with Policies CC1, CC2, CC3 of the London Borough of Camden Local Plan 2017.

- 14 Prior to first occupation of the development a plan showing details of bird and bat box locations and types and indication of species to be accommodated shall be submitted to and approved in writing by the local planning authority. The boxes shall be installed in accordance with the approved plans prior to the occupation of the development and thereafter retained.

Reason: In order to secure appropriate features to conserve and enhance wildlife habitats and biodiversity measures within the development, in accordance with the requirements of the London Plan (2016) and Policies A3 and CC2 of the London Borough of Camden Local Plan 2017.

- 15 The two existing sets of gates at the southern end of Saffron Hill shall be retained in situ unless otherwise agreed in writing by the local planning authority.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 16 Prior to commencement of any works on site the items to the exterior of the existing building specified in the salvage schedule by Planning Potential dated 06/12/2017 shall be removed from site to a place of safekeeping and protected during the course of the works. Prior to occupation of the development details of the future use of all identified items for salvage shall be submitted to and approved in writing by the local planning authority. The development shall be carried out in accordance with the approved details.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 2 You are advised that this proposal will be liable for the Mayor of London's Community Infrastructure Levy (CIL) and the Camden CIL as the additional floorspace exceeds 100sqm GIA or one unit of residential accommodation.

Both CIL's will be collected by Camden after the scheme has started and could be subject to surcharges for failure to assume liability or submit a commencement notice PRIOR to commencement and/or for late payment. We will issue a formal liability notice once the liable party has been established. CIL payments will also be subject to indexation in line with the construction costs index.

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing

Enforcement Team, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS
(Tel. No. 020 7974 4444 or search for 'environmental health' on the Camden website or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

- 4 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 5 Thames Water will aim to provide customers with a minimum pressure of 10m head (approx 1 bar) and a flow rate of 9 litres/minute at the point where it leaves Thames Waters pipes. The developer should take account of this minimum pressure in the design of the proposed development.
- 6 Prior to any demolition works commencing, site clearance and/or construction, all contractors shall be made aware of potential roosting bats or breeding birds on neighbouring buildings.

Should breeding birds be found, then works should cease and a qualified ecologist should assess the situation and if required an appropriate exclusion zone, detailed of which shall be submitted to and approved by the Council, should be implemented around it until the young have fledged.

- 7 Site clearance, demolition and building preparation should be undertaken outside the bird nesting season (Feb-August inclusive). Where this is not possible, an ecologist should assess any vegetation and built structures for active signs of nesting. In the event a nest is found an appropriate exclusion zone should be implemented around it until the young have fledged.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:

<http://www.planningportal.gov.uk/planning/appeals/guidance/guidancecontent>

Yours faithfully

David Joyce
Director of Regeneration and Planning
