5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application? ☒ Yes ☐ No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title: First name: Surname:

Reference:

Date (DD/MM/YYYY): (Must be pre-application submission)

Details of the pre-application advice received:

A planning officer gave planning advice over the phone on 29.11.17, over whether the revisions could be made under a minor amendment. We queried a discrepancy between the drawing numbers listed on the previous permission letter Ref 2013/6418/P and the drawings uploaded to the planning portal. It seems that 6 drawings have been missed off the permission letter, due to an officer error. She therefore advised that we should apply for a full planning permission in case the alterations are not classed as a minor amendment. We would therefore appreciate a prompt response from the council as this error has led us to have to make a full application rather than a minor amendment.
