Condition(s) and Reason(s):

- 1 For the purposes of this decision, condition no.3 of planning permission 2016/2386/P shall be replaced with the following condition:

E16-022/PRE001 RevA; E16-022/PRE002 RevB; E16-022/PRP001 RevB.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 2 The development hereby permitted must be begun not later than the end of three years from the date of the original planning permission ref 2016/2386/P dated 19/07/2016.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reason for granting permission-

The proposed scheme involve varying fenestration on the rear and side elevations at lower ground level. They all are considered appropriate in design terms and in use of materials and would not add to the size and proportions of the approved extension. They would maintain the character and appearance of the property and of the conservation area.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

The variations would not result in any further impact upon the amenities of adjoining occupiers in terms of outlook, light, privacy or noise.

No objections have been received prior to making this decision. The site's planning history was taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies D1, D2 and A1 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework 2012.
