Proposal	Replacement of existing timber door with a new timber door to communal entrance (Class C3).
Comment	Yes
Observations	Replacement with good quality materials is welcome. A comment - Page 10 of the conservation area statement show a front door in Rochester Road - unnumbered but probably No 23 - which is very similar to No 10 but has solid panels. Other doors along the road have half panels in glass. Solid panels, rather than the present re-inforced glass, would have been original.
