Phone boxes seem merely to serve as a place for pimps to place cards advertising prostitutes which merely results in litter on the pavement when one card poster removes one set of cards to replace them with another. I have witnessed some very unpleasant behaviour when the two parties argue. They provide a place for a variety of items to be stowed.<br>This application seems merely an attempt to get advertising space on the street without admitting as much.<br>For these reasons, I would ask that this is rejected.<br><br>Thank you |
