Dear Mr Fowler,

As the owner of **21 New End** I am writing to object to the above-numbered planning application .

I refer you to the Planning Inspector's Appeal Decision and particularly :

"With a need to preserve the setting of these Listed Buildings ,and the character and appearance of the Conservation area as a whole ,the site is in a sensitive location" para 5

"The building would be seen in the round,....but ,again there would not be a significantly more imposing appearance" para 11

"To the extent that the new building would not have a greater impact on its environs than the existing block" para 12

The additional large plant enclosure on the roof contravenes the Inspector's reasoning for granting the appeal as it will make the development far uglier ,taller and more imposing than the original nursing home. It in effect amounts to an additional storey and I object upon these grounds.

Sincerely,

Rosalyn Schofield
