FAO of Laura Hazelton – by email

Dear Ms Hazelton

I am contacting you as I understand that you are the case officer for the above application.

Our property (Tanfield Chambers, 2-5 Warwick Court) is located directly to the rear of the application site and we are concerned that we have not received a formal notification of the above application. We have only become aware of this by word of mouth. As you will be aware, the Town and Country Planning (Development Management Procedure) (England) Order 2015 prescribes that a Local Planning Authority must serve notice on any adjoining landowner. As our property shares a boundary we would expect to receive the requisite notice.

We therefore would like to place a holding objection to provide us with time to consider the application documentation and the exact extent of the proposal and I trust you will afford us the time to do so. Presumably 21 days from today (by 1 March) would be appropriate in the circumstances. Please could you acknowledge that this is acceptable to the Council?

Yours sincerely

Eamonn Kelly
