Informative(s):

- 1 Reason for granting consent

The proposed externally illuminated fascia and non-illuminated hanging sign are considered acceptable in terms of size, design, location and method of illumination as they respect the architectural features of the building and are sympathetic to the host building and surrounding area. Following officer advice, the proposals have been revised, the hanging sign has been reduced in size and illumination has been amended from internal to external illumination, which is considered to preserve and enhance the character and appearance of the host building, street scene and the Regent's Park Conservation Area.

Whilst the proposal will have some impact in terms of light spill, the signs are in a typical position and at a low level of illumination and are not considered unduly dominant in this commercial locality. Therefore, they are not considered to disturb neighbouring occupiers nor would they be considered harmful to either pedestrians or vehicular safety and raise no public safety concerns.

No objections have been received prior to making this decision and the site's planning and relevant enforcement history has been taken into account when

coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies A1, D1, D2, D3 and D4 of the Camden Local Plan 2017. The proposed development also accords with the policies of the London Plan 2016 and the National Planning Policy Framework 2012.

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
