2018/0482/P	Mr Craig Duncan	74 Durdans House Royal College Street London NW1 9RD NW1 9RD	01/02/2018 09:14:57	OBJEMAI L	2 "dwellings" into 5 flats? This would seem to be an effort to cram in as many paying renters as possible and probably crosses several guidelines for size and related standards of living? Also this would presumably fall under the Mayor's instructions to include a percentage of realistically affordable housing?
