14 February 2018

Dear Sir/Madam

## DECISION

Town and Country Planning Act 1990

### **Advertisement Consent Granted**

Address:  
**115 Tottenham Court Road**  
**London**  
**W1T 5AH**

Proposal:  
Display of internally illuminated fascia sign and projecting sign.

Drawing Nos: [115\_2018\_] 01, 02, 03, 04, 05.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to  
(a) endanger persons using any highway, railway, waterway, dock, harbour or

aerodrome (civil or military);

(b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 The internally lit signage shall not be illuminated with flashing elements at any time.

Reason: To ensure that the advertisement does not have an adverse impact on neighbouring amenity nor be harmful to either pedestrians or vehicular safety in accordance policies A1 and D4 of the Camden Local Plan 2017

#### Informative(s):

- 1 Reason for granting permission:

The proposed internally illuminated fascia and projecting signs are replacing recently approved signage of similar design adorning a retail unit within a parade of shops on Tottenham Court Road. The signs are considered to be acceptable in terms of size, design, location and method of illumination. They would preserve the appearance and character of the host building, the conservation area and the streetscape.

The proposal will not impact on the neighbours' amenity nor would it be harmful to either pedestrian or vehicular safety.

The site's planning and appeal history has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013

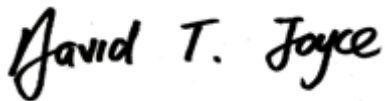

As such, the proposed development is in general accordance with policies A1, D2 and D4 of the Camden Local Plan 2017. The proposed development also accords with policies of the London Plan 2016; and the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice in regard to your rights of appeal at:
