Product Description

Easily store two bikes with the Gear Up Off-The-Wall vertical bike rack. Ideal if space is a premium the Gear Up rack is built from solid steel for strength with foam covered arms to keep your paintwork scratch free.

A useful integrated basket is great for storing a helmet or other ride essentials you can pick up on the way out.

Key Features

- Mounts onto a wall, and holds two bikes in the vertical position
- Constructed from heavy duty steel, with a tough black powder coated finish
- A handy removable basket is included, complete with a pair of extra hooks, to keep your equipment neat and tidy
- Foam covered arms hold and protect your bike
- Installed dimensions are 16.5 inches / 41.91 cm high, 19.5 inches / 49.53 cm wide, and 9.5 inches / 24.13 cm deep
- Maximum recommended weight of 100 lbs / 45.35 kg
- All fixing hardware is included, and some simple DIY is required
