2017/6743/P	Matthew Bourne	flat 1 Tudor mansions 114 chetwynd road London NW5 1DD	14/02/2018 20:40:52	OBJ	<p>I object to the scheme for the following reasons.</p> <ol style="list-style-type: none">1. The proposed studio at the bottom of the garden will impact the health of two trees as the foundations will be within the root protection zones of these 2 important trees that are in our gardens and provide privacy for our bedroom .2. These trees form part of a unique wildlife corridor that runs the length of chetwynd road3. The application references two schemes by David Mikhail and Alison Brooks as being similar, both these , by highly respected multiple award winning architectural practices are not comparable to this extension! (Note the Alison Brooks extension won RIBA national award and was shortlisted for Michael Manser medal)3.The Rockpanel cladding they are suggesting is inappropriate to the setting and surrounding buildings4. The height of the proposed studio is not appropriate for the surrounding gardens and will be very conspicuous <p>Kind regards</p> <p>Matthew Bourne</p>
