2017/7057/P	Sarah and Roland Turnill	45 Rudall Crescent London NW3 1RR	14/02/2018 12:40:47	OBJ	<p>We wish to object to the application on the following grounds:</p> <p>1) the property already has a garden which provides substantial outside space. The roof terrace would add a small amount of additional amenity to number 43 but cause a substantial loss of amenity to number 45. The terrace would be very close to our study and overlook our glass kitchen roof and garden. We therefore have concerns over loss of privacy and light, and potential for noise nuisance.</p> <p>2) The proposed obscured glass privacy screen is not in-keeping with the rest of the properties . It is also not clear where the 1.8m height of the screen is based relative to the existing roof.</p>
