2018/0281/P	Mr C Kazab	1 Kemplay Road London NW3 1TA	13/02/2018 09:49:28	COMMEM AIL	Dear Patrick.  Further to our phone call, I would like to raise my concerns and object to this planning application as I feel that the proposed development will affect my properties right to light.  Kind Regards
2018/0281/P	Janine Griffis	14 Denning Rd NW3 1SU NW3 1SU	13/02/2018 16:41:06	OBJ	I write on behalf of the Pilgrim's to Willoughby Residents Association.  We object to the proposed large triangular glazing to the street frontage as we believe it is too expansive. The proposed window is of no architectural merit and fails to contribute positively to the conservation area. As the large area of glass faces the houses across the street, it also poses the risk of light pollution.  We have no objection to the proposed raise roof line as it is subservient to the house next door.
