If so, your application must be accompanied by the necessary evidence to support your proposals. (See guidance notes for further details)  1. Condition of the tree(s) - e.g. it is diseased or you have fears that it might break or fall:  If YES, you are required to provide written arboricultural advice or other diagnostic information from an appropriate expert.  1. Yes  No  No  No  No  No  No  No  No  No  N				
For all trees A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for works to trees covered by a TPO. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes). It would also be helpful if you provided details of any advice given on site by an LPA officer.  For works to trees covered by a TPO Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the necessary evidence to support your proposals. (See guidance notes for further details)  1.
