Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Listed Building Consent Granted

Address:
**The Honourable Society of Gray's Inn
Adjacent to Atkin Building and Verulam Buildings
London
WC1R 5ET**

Proposal:
Installation of 2 x timber bin store enclosures with parking bollards along eastern and western boundaries of the site.

Drawing Nos: Design and Access Statement; 2 x Photos; INN/1064/GIBS/PL/12/SK1/A revA; INN/1064/GIBS/PL/12/17/001/A revA.

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission.

The proposed bin stores would be located in the existing bin storage areas adjacent to the eastern and western boundary walls of the Gray's Inn Estate. The timber clad structures would be painted black and gold with cornice detailing to the front and side that would offer a traditional appearance which is sympathetic to the surrounding area. The proposed bin stores would have two bollards located to the front of each structure to prevent damage from passing vehicles. These too would be painted black and gold to match the bin stores and are considered acceptable.

Therefore, the size, scale, design, location and fabric of the proposed bin stores would be sympathetic to the character and appearance of the Gray's Inn Estate and surrounding Conservation Area and would not harm the special character and setting of the adjacent listed buildings (Atkin and Verulam Buildings).

The site's planning and appeal history has been taken into account when coming to this decision. No objections were received following statutory consultation.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with Policy D2 of the Camden Local Plan 2017. The proposed development also accords with policies of the London Plan 2016 and the National Planning Policy Framework.
