### 3. Description of Proposed Works

Please describe the proposed works:

The intention of this proposal is to get the maximum daylight penetration into the spaces on the second floor. To achieve this goal four new conservation roof lights has been proposed on the original building's roof. The roof is a butterfly roof with a parapet wall at the front. Therefore, the new proposed rooflights cannot be seen from the street and they have no impact on the surrounding buildings. Since the property is within a conservation area, the new rooflights are proposed to be conservation rooflights.
