Dear David,

**Re: Agar Grove Phase 1A: Planning Condition No. 20**

In reference to planning condition 20 (CCTV provision), we confirm that there is no installed CCTV prior to practical completion of Planning Phase 1. However we have made provision for future installation that would be subject to planning scrutiny should LB Camden decide to proceed with the design and installation

I trust that the aforementioned is sufficient to discharge condition 20 for this phase of the works?

Yours sincerely
