Dear Mr Diver

Thank you again for your time when we spoke last week and my apologies for the delay in getting back to you, I've been out of the office.

Further to our conversation, below is a photograph of the bottom of the gardens on Dartmouth Park Avenue which boarder the Mansfield Bowling Club site. It is a little hard to make out, but each garden end wall or fence has a gate. I can also send you a photograph of our gate in close-up. Just to confirm, we are at 13 Dartmouth Park Avenue and we and our neighbours have always had access via gates on to the site. This in order to utilise a dedicated entrance to the tennis courts and to the bowling club generally. We note that the proposed plans for the development include a continuous fence along the back of our properties and that if this were to be built it would cut off our right of access. Provision should therefore be made in order to avoid this.

Thank you again for addressing this.

Many thanks

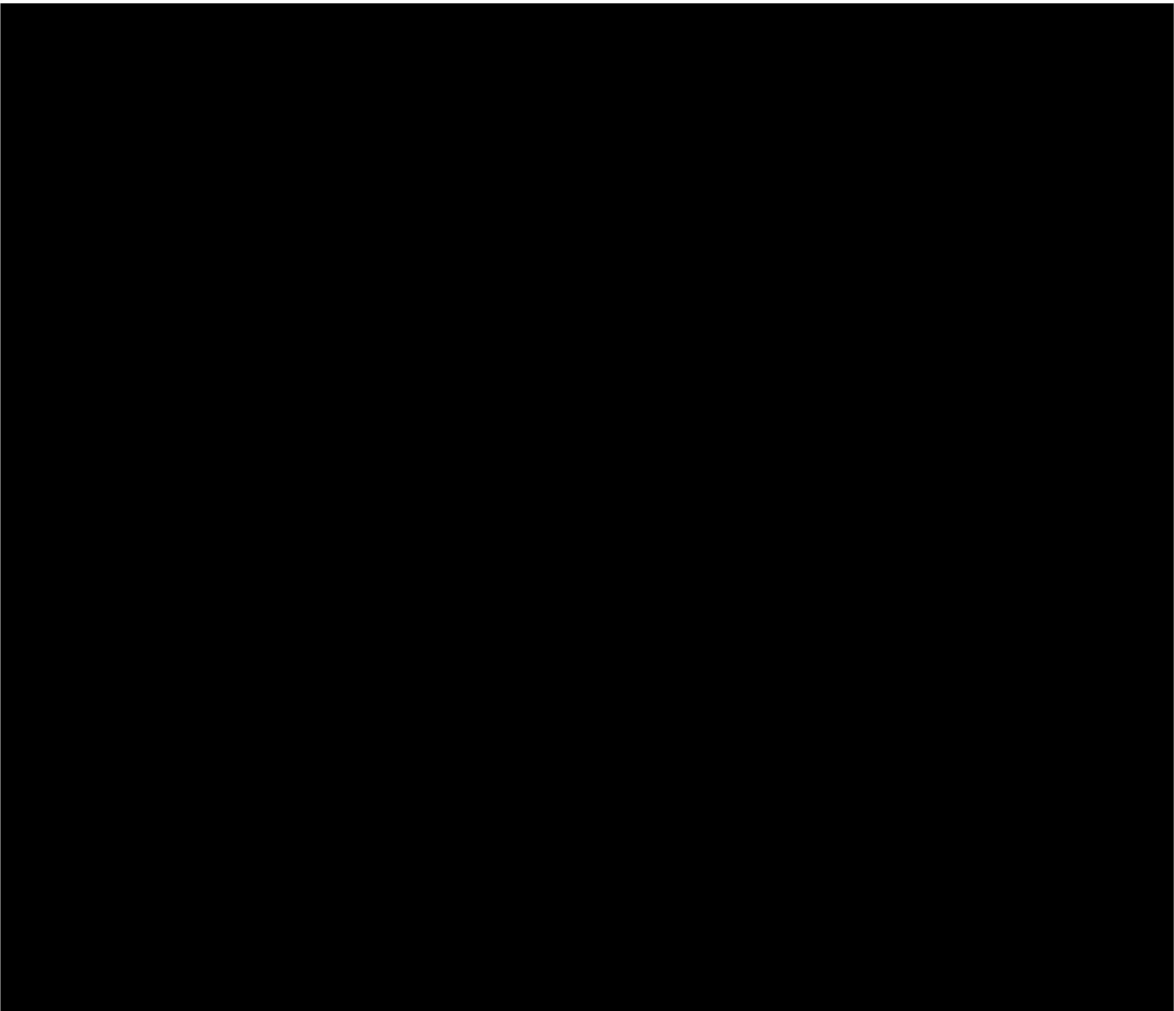

Best regards

Keith
