1 March 2018

Dear Sir/Madam

Re: 29, NEW END, LONDON, NW3 1JD

### Waste Comments

Thames Water have reviewed the documentation provided and agree to discharge Condition 22.

### Water Comments

### Supplementary Comments

Thames Water have reviewed the information provided and agrees to discharge the conditions. This is based on the understanding that piling works are carried out outside of Thames Water assets exclusion zone. Please advise Thames Water if these plans change so that we can re-assess the risk to our assets. Please discharge Condition 22.

Please see the guidance document 'Working Near Our Assets' available at the following link for more details on Thames Water policy with regards to piling, demolition, excavation and abnormal loading: (available online at <https://developers.thameswater.co.uk/developing-a-large-site/planning-your-development/working-near-or-diverting-our-pipes> ).

Plans of Thames Water apparatus can be obtained through our website at [www.thameswater-propertysearches.co.uk](http://www.thameswater-propertysearches.co.uk). Please contact Developer Services if you wish to discuss further (by email at [developer.services@thameswater.co.uk](mailto:developer.services@thameswater.co.uk) / [DSCLX2039@thameswater.co.uk](mailto:DSCLX2039@thameswater.co.uk) ). Please use the following reference in all future correspondence: DTS 22667

Demolition, piling and excavation works all have the potential to adversely impact Thames Water assets. Please bear in mind that Thames Water will hold the developer and any relevant contractor/sub-contractor liable for any losses incurred or damage caused to Thames Water assets arising from construction works or subsequent use of the facility.

Yours faithfully
