Subject: Re 2018/0347/P - Land Adjacent to 14-16 Camden High Street - Telephone kiosk application

Categories: Yellow Category

Hi Seyi

I have completed my assessment of the above application. The application will need to be refused as the area of footway under consideration has already been earmarked for an alternative use. This will essentially involve the relocation of the existing BT telephone kiosk outside 20 Camden High Street as part of a street furniture rationalisation scheme. The benefits of the scheme include removing an existing telephone kiosk from a part of the footway actively used by pedestrians. It is also best practice to move the BT telephone kiosk so that it is more than 20 metres away from the nearby traffic signals.

The proposal must be refused for the above reasons. Please let me know if you wish to discuss.
Regards
Steve
