2017/6631/P	W Geller	Hampstead Synagogue 1 Dennington Park Road London NW6 1AX	26/02/2018 11:10:33	SUPC	Our property Hampstead Synagogue directly abuts the car park of the site. We would request that the noise level during the works be kept to a minimum on Saturday mornings to 1pm and on major Jewish festivals so as not to cause a disturbance during prayer services in the Synagogue. We would also point out that we have a fire exit abutting the site and opening on to West End Lane. We request that this fire exit be kept accessible at all times.
