2018/0660/P	Annabel Cormack	68 Dartmouth Park Road NW5 1SN	27/02/2018 18:24:37	COMMNT	<p>Recommend refusal.</p> <p>Proposal is detrimental to the row of shops.</p> <p>The pavement here is not very wide, and any loss of space for customers to congregate outside the shop without blocking the way for passers by would be a bad thing. In addition, the site-lines to the other shops are important.</p> <p>Note that the plan does not show the current central block of shelves which runs at right angles to the street. New arrangement if this is kept would mean shop keeper could not see children at the back left of the shop.</p>
