2017/6947/P	Kay Boyd	50b Crediton Hill	03/03/2018 23:07:43	COMMNT	I object to the planning application on the grounds that an increase in the dropped curb will result in the loss of a residents parking bay. There are already too few parking spaces to accommodate residents who pay annually to park, and any visitors. Whilst it is acceptable to develop one's own property, it is selfish to do so at the expense of the neighbourhood. I also feel that it will be to the detriment of the street to have three vehicles parked outside one property.
