Discharge of Condition 46 (Planning Permission 2012/4628/P)**

We write on behalf of our client, Stanley Sidings Limited, enclosing an application for the discharge of condition 46 attached to planning permission 2012/4628/P.

Condition 46

Condition 46 is worded as follows:

“Full details in respect of the green roofs in the areas indicated on the approved roof plans shall be submitted to and approved in writing by the local planning authority before the relevant part of the development commences. The buildings shall not be occupied until the approved details have been implemented and these works shall be permanently retained and maintained thereafter.”

Accordingly, we enclose a document entitled 'Area B, C + D (Buildings C, D + WX) - Typical Details and Scope of Green Roofs', prepared by AHMM, which demonstrates the full details of the green roofs in the areas shown on the roof plans approved under planning permission ref: 2012/4628/P.

The following documents have been submitted via Planning Portal:

- Completed application forms; and
- Document entitled 'Area B, C + D (Buildings C, D + WX) - Typical Details and Scope of Green Roofs', prepared by AHMM.

The £116 planning application fee will be paid online.

We look forward to hearing from you shortly. In the meantime, if you have any questions, please do not hesitate to contact either Hannah Bryant or Anna Gargan, of this office.

Yours faithfully
